

## Pop/Rock Clips VAULT

“

...Once upon a time I had a list of every pop and rock clip I made, but lost it in one of my many house moves. I can remember about eighty of them but I know there would have been a lot more. My first clip was for Debbie Byrne and the cast of Les Miserables. It was a charity job for Debbie's song 'Nature's Lament'; a song written to help the cause of the dwindling Amazon Rainforests. My first 'paid' job was for Tracey Arbon (through Festival Records), a new facebook buddy, whom I caught up with again recently after nearly twenty years. Neither of us looked a day older...
